

ILLEGAL LAND SETTLERS AT LANGFORD

It has come to our attention that there are illegal settlers operating in our Langford Estates and offering stands for sale. Fidelity Life Assurance of Zimbabwe wishes to advise members of the public that no stands are available for sale at Langford. Anyone who has paid for any land at Langford Estates must demand their money back from these bogus sellers.

Fidelity Life Assurance of Zimbabwe is not liable for any misselling and misrepresentation regarding the sale of Langford stands. Furthermore, any illegal structures will be reported to the Harare City Council who will subsequently proceed to demolish said structures.
